Thanks Chris!

EPA would like to attempt an outreach to those manufacturers who do not have a registered CAO on file. Can the report be re-run to include the email address for the CROMERR Signer registered under those manufacturer codes? If a manufacturer does not have either a registered CAO or CROMERR Signer, an email address for any user associated with that manufacturer will do.

Hi Chris,

Per our conversation earlier today, can you please have a report run of the EV-CIS manufacturers who have only a single active CAO on record, or any manufacturers who have only Inactive CAOs on record?

Let me know if you have any questions.

Thank you,
